The O/o CEO, Punjab intends to actively engage ELCs of colleges of our State. As per the guidelines of Election Commission of India, Electoral Literacy Clubs (ELC) are to be established in every college along with appointing a Nodal Officer (ELC in-charge). ELCs can play a pivotal role in further strengthening various campaigns towards electoral literacy of youth. Many competitions are being regularly organized which carry cash prizes and certificates to motivate our youth to participate in these activities and gain and disseminate knowledge.

To make our democracy function better, the constitutional provisions must be understood well by our youth. The O/o CEO, Punjab has launched a comprehensive "Constitution based approach to Democracy campaign". Since October 11, 2020 thought-provoking, easy to comprehend article had been posted on our Facebook page daily. Now w.e.f. November 10 we are posting videos and links to the already posted articles to deepen the understanding. It would be great to spur conversations and discussions about Indian Constitution and democracy.

In this regard, you are requested to direct the heads of all the colleges in the State of Punjab:-

- i) Form ELCs wherever not in existence by Nov. 30 positively and
- ii) To promote this campaign through ELCs. Campus Ambassadors and ELC Nodal Officers/incharge who must act as influencers and provide momentum to the campaign.
