Website: www.gckpt.com

Email: gckapurthala@gmail.com

By the department of Chemistry Ozone day was celebrated on 16-09-2023 in college to spread awareness among the students about how crucial the ozone shield is for the life on earth, its gradual depletion and the need to search for possible solutions to preserve it. The students of the college made posters highlighting the need of the ozone layer protection. The Students were advised to use environment friendly cleaning products, prohibiting the use of nitrous oxide, buying air conditioning and refrigeration equipment that do not use chlorofluoro carbons as refrigerant. They were also advised to discourage the use of private vehicles and use public transport or bicycle. The students were informed about the stratospheric layer which shields the earth from sun's harmful ultraviolet (UV) radiation. On this day, many staff members as well as students shared their views about the protection of ozone layer. Ms.Sunita Suman, Mr.Kulwinder Kumar, Ms Bimla, Mr Sukhdeep and Ms.Harpaljit Kaur were present there.
