How Could I Express What I am Feeling today?
Because my today is replaced by yesterday.
It was on eighteen hundred fifty six you came on the
world scene,
Since then thine generosity flows like an unending stream.
You lifted thousands from the ignorant haze.
Educated over here are there on the world stage.
Everyone has become perfect in thine lap.
Thine benevolence is continuing without any gap.
Indeed you are a saint on a mission,
Constantly blessing & ignoring our omission.

It is a reminiscence of the past that is now far away.
What a slip of the time?
All what we nourished is still in the mind.
