

Institutional Distinctiveness

Under Punjab Government's initiative to provide ample Career Opportunities to the Youth of Punjab, the Govt. provided funds to the institutions for industrial visits. Therefore Career Counselling committee of the college conducted educational industrial trips for the college students to enhance their learning. These trips gave the students a lifelong experience about various industries.

Industrial Visit to Alpasco Grain Technology Dera Bassi was the first industry visit in which B.Sc. students gained a first-hand experience and learnt about machinery used in grain separation.

Industrial visit to ETE Electrogears Private Limited Dera Bassi was the next industry visited by the students of B.A 1st. The students here get to know about the Electric control Panels. ETE brand is a well-known brand in the region and they found interesting career prospect in this field.

Industrial Visit to Royal Synthetics Ludhiana was the next visit where students gained experience in the field of clothes and fabric manufacturing. This company has gained immense expertise in T-shirt and other garments. Students got to know about various career prospects in this company.
