IPR WORKSHOP

Intellectual Property Rights Cell is running under the guidance of Dr. Jasmeet Sethi and Dr. Sandeep Kumar. During this academic session a lecture was conducted on 21/11/2022 to make students aware of their intellectual property rights. The theme of this lecture was, “Artificial Intelligence and Machine Learning” which was delivered by Ms Vasundhra Thakur. She addressed the students by saying that Artificial intelligence is a broad field, which refers to the use of technologies to build machines and computers that have the ability to mimic cognitive functions associated with human intelligence, such as being able to see, understand, and respond to spoken or written language, analyze data, make recommendations, and more. Whereas Machine learning is a subset of artificial intelligence that automatically enables a machine or system to learn and improve from experience. Intellectual property rights relate to a person’s creativity. It protects the right of patenting the technology and machine learning process. On this occasion a total number of 45 students were present along with Ms Neelakshi Missar, Ms Jyoti, Ms Bhupinder Kaur and Dr. Sandeep.

Workshop on Introduction to Research Methodology

Dr. Jasmeet Sethi, organised an extension lecture on 23/11/2022. The topic of this Extension Lecture was , “Introduction to Research Methodology”. The resource person was a, Dr.Sandeep from Physical Education Department. Dr.Sandeep started his lecture by saying that Research may be very broadly defined as systematic gathering of data and information and its analysis for advancement of knowledge in any subject. Research attempts to find answer intellectual and practical questions through application of systematic methods. Webster’s Collegiate Dictionary defines research as "studious inquiry or examination; investigation or experimentation aimed at the discovery and interpretation of facts, revision of accepted theories or laws in the light of new facts, or practical application of such new or revised theories or laws". Some people consider research as a movement, a movement from the known to the unknown. It is actually a voyage of discovery. He inspired the students by sharing his own success story. This lecture was very impressive and valuable for the students. They gained a lot of information about Research Methodology. Ms. Harpaljit Kaur, Ms. Sunita Suman, Ms. Vasundhra and Ms. Bimla were present there.
